Loreen-

I would like two attorneys from A&P to join this meeting in person. They are Matt Seidon and Amy Ryan, who are commercial lawyers having experience in biotech/pharmaceutical agmts. and who will be drafting the TES protocol development agmt. and the agmt. to conduct the TES.

In addition, I will try to have Art Levine, if available, join by phone.

Pls. work with Pamela to arrange a time.

In the meantime, pls. fwd. discussed information re the new development agmt. so that we can fwd. to A&P to begin drafting.

thanks

I spoke to Kevin today and he suggested us all sitting down to discuss the requirements for the contract and timeline for the full Total Exposure Study.

Would you please let me know your availability on Thurs., Sept. 6 anytime between 10:00 am and 5:00 pm. I would suggest meeting for at least two hours.

Once the time is set, I will arrange for a conference room.

Thank you.
